June 2013

# **Accreditation Update**

On May 6-10, a team of five members of the American Association of Christian Schools (AACS) accreditation team came for a threeday visit to Fourth Baptist Christian School and a two-day visit to Woodcrest Baptist Academy.

The point of the visit to each school was to observe school operations based on the writing of the school's self-study. The selfstudy covered nine areas required in accreditation. These nine areas are as follows: Philosophy, Goals and Mission; Administration and School Improvement; Legal Structure, Policies, and Procedures;

Personnel; Fiscal Management; Curriculum, Pedagogy, and Assessment; Students, Parents and Community Relations; Facilities and Safety; and Special Services. The first draft of the report to each school has been read and corrections and adjustments have been requested. The finalization of the report and the final approval of accreditation will occur on June 26.

The exercise of accreditation was very beneficial in that it will identify for our schools the strengths and weaknesses of our programs. Should both schools receive an (Continued on page 2)

# Legislative Update

With DFL control in both state houses and in the office of governor, private, religious schools are watching several points of legislation closely. There are three issues that we have been following closely throughout the past school year and they are as follows:

Race to the Top - Early Learning Grant -MACS schools stand against the acceptance of any daycare assistance funding or monies from Parent Aware. We continue to maintain contacts with the MN Dept. of Education to be included in reviewing the rewriting of the Early Childhood Indicators of Progress (ECIP's). Because of changes in the Early Learning office, we have lost our main contact. Karen Cadigan, Director of Early Learning, left the Department

(Continued on page 4)

#### Accreditation Update (continued from page 1)

initial five-year term of accreditation, a Self-Improvement Plan (SIP) will have to be written and will be due in September. In each successive year leading up to

reaccreditation, the Self-Improvement Plan will have to be updated and reported to the accreditation commission. Included in the SIP will be the continuation of the writing of the curriculum guide with one subject needing to be completed each year, the continuation of training opportunities for our teachers, and the continuing requirement of licensing of our teachers with AACS. New staff coming on board will have to fulfill licensing requirements as well.

Officially, the announcement Fourth Baptist and Woodcrest can share at this point is: "After completing a rigorous self-study process, [school name] hosted a team of educators for peer review on [date of visit]. The visiting team has unanimously recommended [school name] for full accreditation to the American Association of Christian Schools Accreditation Commission which will meet on June 26."

We are grateful for all the staff's hard work, parents and students who participated in the interviews, and the willingness of our peers to serve our school in the process of accreditation. Stay tuned for the end result...  $\sim A.$  Hodak

The Accreditation Team for Fourth Baptist included from left: Mike Phillips (Bay City Christian School, Green Bay), Steve Ogren (Lake Region Christian School, Baxter), Charlie Graves (First Baptist School, Rosemount), Jeff and Judylynn Walton (AACS National Office). (pictured here with Alan Hodak, Fourth Baptist Christian School).

Alan Hodak, Mike Philips, Alan Hodak, Jeff and Judylynn Walton, and Russ Peterson (St. Francis Christian School) served on the Woodcrest Accreditation team.

## Sports Camp Fees:

\$50 for elementary students \$75 for secondary students

at Fourth Baptist

Invite family, friends and neighbors to attend with you!

Besides having fun and learning sports skills, camp participants will hear the gospel presented and will be taught biblical life principles.

### Basketball Camps: June 24–28 (Mon-Fri)

\*\*\*\*\*

Basketball Camps are led by Coach Mike McCarty of Northland International University.

Mixed Elementary–entering grades 3–6, 10–noon (boys & girls combined)

- Secondary Girls—entering grades 7—12, 1—3pm
- Secondary Boys—entering grades 7–12, 3:30–5:30pm

\*\*\*\*\*

Soccer Camps: Jul 29–Aug 2 (Mon–Fri) Soccer Camps are led by Coach Andrew Scott of Northland International University.

- Mixed Elementary entering grades 3–6, 10–noon (boys & girls combined)
- Secondary Boys entering grades 7–12, 3–6pm

\*\*\*\*

Volleyball Camps: Jul 29–Aug 2 (Mon–Fri) Volleyball Camps are led by Coaches Dave and Barb Herron of Northland International University.

- Elementary Girls –entering grades 3–6, 10–noon
- Secondary Girls entering grades 7–12, 3–6pm

*Go to our website* — *www.fourthbaptistchristianschool.org for a downloadable registration form.* 

## Please Welcome Redstorm Homeschool Association into MACS

We have not added any schools in recent years, but we have been working with a group in Nashwauk, MN, who wants to be identified with MACS. Redstorm Homeschool Association will join MACS as an associate member for the 2013-2014 school year.

This group of families used to be a part of Cloverdale Christian School. Cloverdale closed down three years ago and the families of Redstorm are studying the possibility of starting a new school program. While the school may go by another name, several of the parents met with Mr. Hodak, MACS Executive Director, to talk through ideas and planning. The sponsoring church of Redstorm is Cloverdale Mennonite Church of Nashwauk, MN. Redstorm has 49 students involved in their homeschool coop and wants to be a part of the MACS activities for the next school year. Offering girls' volleyball and boys' basketball, Redstorm is looking for tournaments or weekend sets to help round out their athletics schedule. The group would also be interested in cooping for boys' soccer at our tourney if any schools are interested. We are also hoping to see Redstorm involved in our Speech and Fine Arts festivals.

If you can help Redstorm as they transition into MACS, please call Aaron Morhart at (218) 245-0216. You can also reach Aaron at armorhart@gmail.com.

#### Legislative Update, continued from page 1

the end of May. Melvin Carter, currently serving on the St. Paul City Council, is taking her place beginning in June. We will be attempting to set up a meeting with Mr. Carter very soon with the hopes of communicating the desire to maintain a good working relationship with Your prayers to this end would be his office. appreciated. As the ECIP's are rewritten, we have asked specifically, that several items be eliminated in the standards. Governor Dayton, in his education legislation passed in May, has really made an effort to fund all-day kindergarten and preschool education. The governor's agenda is to influence the lives of our children with the liberal agenda as early as possible. Wary of increasing attempts at government control over private preschool education, we continue to stress that our schools be very careful not to accept any Acceptance of government government funding. funding of any kind could result in the mandatory following of stipulations written in this and other

legislation. We fear that the battle is just beginning and we urge our members to pray that we might continue to be protected from government mandates in early education. The positive news is that there was a strong movement, prior to the session's end, to remove several of the ECIP's we strongly objected to. We will keep you posted.

<u>Gay Marriage</u> – As our state digresses morally, the effect upon an already struggling government educational system will be the result. By making gay marriage legal, the state, unknowingly, is increasing the potential dysfunction within our families. As the state continues to attack the security of the home and the institution of the family, we will continue to see an increase in the need for special education services statewide. Family stability is one of several keys to learning. We know that to be true in our schools. The real problem is not being addressed in our state and that is the need to work with our traditional families to create stable home environments. It is my conviction that a child needs

### $\bullet \bullet \bullet$

## **Granite City Hosts Annual Spring Track Meet**

On Friday, May 10th, five schools again gathered at Granite City Baptist Academy to compete in an afternoon Spring Track Meet.

Track teams from Fourth Baptist in Plymouth, MN; Grace Baptist in Mankato; Calvary Baptist in Cambridge, MN; and Immanuel Baptist in Menomonie, WI joined the host team Granite City Baptist at their facility in St, Cloud, MN. It was a beautiful sunny day for the students to compete in the various track and field events. From what we've heard, the participants had a great time. Track and Field is a great way for kids to get some exercise in the spring. Please contact Granite City Baptist if you would like more details or to be included in the next Spring track meet. ~A. French

their mom and dad and they need both of them to be an active part of their lives. They need their homes to be stable places. As a culture, we continue to believe the lie that a family can be two homosexual partners. Several senators who corresponded with me tend to believe that homosexual partners can create stable families. But in the years to come we will see an increase in the struggles within an already taxed government educational system who can only see increased funding as an answer to a myriad of learning problems. This solution hasn't worked so far. We must create stability within our families and the only hope for real change and stability is the Gospel. This should cause us to really pray for our own communities and church families and try to create educational opportunities to work with our young married families. Even more, we need to be communicating the philosophy of our schools and teach people why a Christian education is so critical. Hopefully, families on the fringes watching closely, will begin to search out the truth as they find that the government system does not have an answer for their children's education. I expect that we will see an increase in interest and applications this coming school year and in years to follow and pray that we will be able to serve a new and increasing constituency in our churches and schools who are searching for truth.

- Safe and Supportive Minnesota Schools Act (Anti-bullying legislation) was not passed in the last session and will be taken up again in the 2014 legislative session. Prior to the end of the session, we were notified that there would be a private school exemption included in the Senate version which was not included before. We will keep a close watch on this in the coming months.
- If you have an interest in legislative issues, and you have some time to be a help in this area, please contact Alan Hodak at the MACS office.
- ~A. Hodak, MACS Executive Director
