JUNE 2017

Another School Year Completed!

Thank you to all our MACS schools for a successful school year. We had wonderful events hosted at a number of our schools. Thank you to all who volunteered time and to those who coordinated events.

Three schools have posted staffing needs for the 2017-2018 school year. If your school has a need, please send pertinent information to Alison French at afrench@fourthbaptist.org. She will post those needs on our MACS website www.mnchristianschools.org under *Job Openings*, and remove those needs as positions are filled. Please let us know if your position is filled.

A number of our schools are looking at enrollment increases for next year. Two of our new schools: Bethany Christian Academy in Brooklyn Park has hired a new school administrator. I also had the

opportunity to visit our newest school, FHL Academy in Bagley, MN in May. They are looking at a significant increase in enrollment as the need is so great for Christian education in their community. Two of our schools, Woodcrest Baptist Academy and Fourth Baptist Christian School will be going through the reaccreditation process next spring. Much is happening in MACS and we are looking forward to a great 2017-2018 school year.

God has been so good to our schools and we praise Him for all that He is doing. If we can be a help to you in any way, please email me at ahodak@fourthbaptist.org.

God bless your ministry and may you have a restful summer. -Mr. Alan Hodak, Executive Director

SH MACS FINE ARTS FESTIVAL REVIEW

Jason French performing "Yellow After the Rain," a double mallet piece by Peter Mitchell during the Awards Ceremony. Jason received the highest instrumental score (98) of the competition, and received the "Best in Show" honor of performing during the Awards Ceremony.

FBCS hosted the MACS Senior High Fine Arts Festival on Friday, April 7, 2017. There were 11 MACS schools represented with approx. 250 students participating. Every year this is a big event! And it was a very exciting day.

Over thirty judges in Music, Art, Photography, Home-Ec, Academic Testing, and Science Fair helped our students develop their talents and abilities with written and verbal critiques following their performances. Some of the judges gave interpretation ideas to the music teachers and directors as well.

We could see the students' hard work paying off as they received very high ratings at the festival. The level of competition was indeed very high! It was quite apparent that the

(Continued from page 1)

students worked very hard on their art, vocal and instrumental numbers.

Being chosen to perform for the Awards Ceremony is always a special "best-in-show" honor. Those chosen to perform this year were: Jason French, marimba solo from Fourth Baptist, the Vocal Quartet of Graves/Fruetel/Murphy/Pinkevich from First Baptist Rosemount, and the Ladies' Duet of Naomi Darling/Erica Ureke from Woodcrest.

We appreciate the many teachers at the different schools who helped the students get ready for this event. We know it takes many, many hours of preparation! And finally, thank you to the many parents and friends that came to support the students that day! We look forward to another great SH Fine Arts Festival next year on April 6, 2018. ☺ See full results pgs 8-14.

Granite City Track Meet Enjoys Beautiful Weather This Year

It's Minnesota. You never know what the weather will be like. In stark contrast to last year in which the participants and fans had to be bundled up against the cold wind and rain, the sun shone brightly and the temperature was in the upper 70's!! The participants were happy to be putting on sunscreen instead of donning hats, gloves, scarves and blankets!

Pastor Dennis Campbell began the day with a short challenge for the participants, and then the competitions began with the elementary races. Five schools came for the day. The host school was Granite City Baptist Academy, and also attending were: Fourth Baptist of Plymouth, First Baptist of Rosemount and Valley Christian

of Osceola, WI.

Every participant was cheered on by the fans. Some events were very close! It was a good day for all with the fun and friendly Christian competitions.

About Coach Dan Johnson:

We are glad to welcome Daniel Johnson as our guest coach for this year's basketball camps. Dan brings a decade of coaching experience from his time as junior high and high school boys coach in Idaho

and Minnesota.

"My favorite thing about coaching the game of basketball is the opportunity to teach so many lessons that correlate to life: discipline, selflessness, teamwork, perseverance, etc. I love forging relationships with the players that I am blessed to coach. My desire is to teach them to be people who will live for God and others," states Dan.

Dan married his college sweetheart, Becky, and together they are raising four children.

Soccer Camps: Jul. 31 - Aug. 4

Secondary Camp - \$80

- **Mixed Elementary:** entering grades 3 - 6, 10am - noon (boys & girls combined)

Coach Rogers says, "While growing up, my only goal when it came to sports was to draw glory to myself. As I have grown in my faith, I have learned that God deserves the glory in everything we do. I have learned many valuable lessons through sports and I think they can provide an atmosphere where athletes can develop their physical, mental, social, emotional and spiritual gifts. Sports help develop a lifestyle of character, integrity, discipline, hard work and leadership. Sports provide a wonderful opportunity to develop and practice skills and lessons that are learned in the classroom."

Ellie has always enjoyed athletics and played volleyball from sixth grade through her senior year of college. She is originally from Minnesota and participated in the MACS league in high school. During her time under Coaches David and Barbara Herron at Northland International University, she was a team captain and received an All-American award.

Coach Ellie observed and assisted Coach Herron in several summer camps. Because of her love for the sport, she wants to teach girls strong fundamentals and help develop positive mental attitudes. For the younger players who attend camp, she hopes they will enjoy learning the sport while having fun. For the older students, she desires to see them work hard and hone in on skills allowing them to be ready to compete in their fall season.

2017 Tech–GCBA Coop Wrestling Summary

*By Dennis D. Campbell, Senior Pastor
Granite City Baptist Church/Academy*

The wrestling outreach at GCBA finished with some real highlights! Two of the teenagers from Granite City Baptist qualified to compete at the Minnesota State High School League Wrestling Tournament at the Xcel Center in St. Paul.

Pictured above:

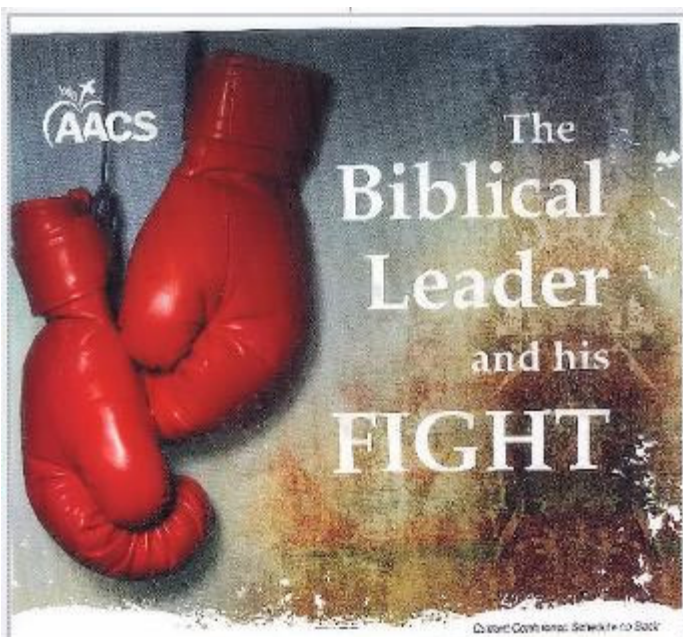

Micah Mangel (right) wrestled Heavyweight, and won a match
Tyler Hugg (left) won three matches, and he took second place

The Academy coops with Tech High School, and Pastor Campbell is an assistant coach. He has had the opportunity to share a devotional and pray at every event. Over the years several of the wrestlers have gone to Bible Camp, and some have been saved. Pastor Campbell also has been able to show Christian films on the coach bus trips to distant meets. He also has been asked to pray at the annual wrestling banquet.

One Sunday not long ago, two of the wrestlers visited for the evening service. Following the service both joined Pastor in his office and got down on their knees and accepted Christ. Now they want to get baptized. Please pray for the wrestling outreach that it will always glorify God.
